BOOK SYNOPSIS

Have you ever looked at another couple and wondered, what if... ? *Forgotten Desire* offers five tantalising tales of couple that swap and share. *Forgotten Desires* by Tony Haynes On revisiting their old university - in order to attend a reunion event - Sara and Marcus end up with more than they bargained for when they bump into Alice and Luke. Knowing that Alice always had a bit of thing for Marcus, and having shared an intimate moment with Luke (the very evening she first got together with her husband), forgotten desires begin to stir deep within Sara. A chance late-night encounter in the campus grounds gives all four the opportunity to explore their pent up passions. *One Way Swap* by Alex Jordaine Christine willingly lets her voyeuristic husband Peter watch her having sex with strangers. He views the steamy action through a one-way mirror and masturbates. The couple greatly enjoy playing out this kinky surrogate ritual, which they've come to crave like a powerful drug. And Christine simply loves to give Peter something really worth watching. She always puts on as good a show as possible for him. But you never know for sure how it'll go with one-night stands. After all, it takes two to tango, as they say. Sometimes it takes more than two ... *Deeds of Mercy* by Giselle Renarde Mercedes' romantic world has grown into a man-eating monstrosity! She really does love her fiancé, Anwar, so why does she keep prostituting herself to Simon? It isn't that she needs the money. Well, OK, the money's nice and it gives her a cheap thrill every time she adds Sex-with-Simon cash to the Wedding-with-Anwar fund, but it's not like she's living at subsistence level. She doesn't need it. But she likes it. She enjoys the naughty thrill of prostituting herself to her married ex-lover while her husband-to-be remains oblivious. *Pattie and Annette* by Penelope Friday One girl is good, but two are wonderful. John knows he's lucky having Pattie in his life, but having Annette as well is the ultimate fantasy. And it looks like fantasies can come true... *Coming Home* by Dee Jaye Rachel has been waiting for her boyfriend to return from working away but his plane has been delayed. That evening her new flatmate brings her own boyfriend and his sister home to learn lines for a play. Rachel falls instantly in lust with him. When they are caught having sex her flatmate tells her she's gay. As it's Rachel's birthday the flatmate and two visitors give her a present which introduces her to a number of sexual acts. The last of these provides her with a big surprise. These stories have also been published in *Partner Swap* ISBN 9781907761744 / 9781907761751
