## BOOK SYNOPSIS

Boarding a cruise ship bound for Mexico, vacationing Navy SEAL Jeremiah "Bullfrog" Winters runs into Emma Albright, the only woman he ever loved... and lost. Emma might still teach Romantic Lit at George Mason University, but life taught her there's no such thing as everlasting love. Good thing she can still enjoy her vacation without falling for the man who captivated her years earlier. But re-awakening Emma's passions becomes Jeremiah's current mission until violence breaks out on their port excursion to the Mayan ruins of Tulum. Now, love may be the only weapon powerful enough to save them both, if Emma can bring herself to believe in its permanence and power.
