BOOK SYNOPSIS

Revised and updated to meet the ethical challenges of today's business world, *Ethical Theory and Business* presents a collection of readings that includes historical as well as contemporary material. Chapters offer thoughtfully collected essays, legal perspectives, and court cases that give readers a basis for understanding the latest developments in business ethics scholarship, analysis, and decision making. In addition to presenting the fundamental concepts and problems of business ethics, normative ethical theory, and the analysis of cases, the Fifth Edition of *Ethical Theory and Business* examines issues such as corporate social responsibility; business self-regulation versus government regulation; consumer, occupational, and environmental risk; drug testing; whistleblowing; affirmative action; reverse discrimination; sexual harassment; deception in advertising; ethical issues in international business; and social and economic justice.
