BOOK SYNOPSIS

BOOK 2 IN THE IRON DRUID CHRONICLES Atticus O'Sullivan, last of the Druids, doesn't care much for witches. Still, he's about to make nice with the local coven by signing a mutually beneficial nonaggression treaty—when suddenly the witch population in modern-day Tempe, Arizona, quadruples overnight. And the new girls are not just bad, they're badasses with a dark history on the German side of World War II. With a fallen angel feasting on local high school students, a horde of Bacchantes blowing in from Vegas with their special brand of deadly decadence, and a dangerously sexy Celtic goddess of fire vying for his attention, Atticus is having trouble scheduling the witch hunt. But aided by his magical sword, his neighbor's rocket-propelled grenade launcher, and his vampire attorney, Atticus is ready to sweep the town and show the witchy women they picked the wrong Druid to hex. Don't miss any of Kevin Hearne's phenomenal Iron Druid Chronicles novels: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED
