BOOK SYNOPSIS

Her Life Was Spinning Out of Its Perfect Orbit... Sylvia Hunter feels herself flying off in so many directions she cant make sense of it. Forget the fact that her perfect daughter is going through a Goth phase. Or that her overbearing mother-in-law and crazy aunt are going to drive her to murder. Somethings up with her husband. And judging from Gregs recent lies... Well, the only thing thats certain is that Syl needs to act fast! Maybe she should dye her hair, lose those extra pounds—anything to get the attention again of the man she loves to distraction. But what is Greg actually hiding? Possibly for the first time ever in their twenty-six-year relationship, they must be truly open with each other. And who knows what that could do to a marriage!
