## BOOK SYNOPSIS

THE ENDURING DEMOCRACY, 5th Edition, helps readers understand that debates and events being played out in American politics today have occurred before in different forms -- and that our government endures. Updates include coverage of the 2016 election results and the challenges facing the new administration; a consideration of racial tensions and the political and policy responses to address them; an analysis of the policy agenda in the final two years of the Obama administration; a primer on how the polls, parties, and other elements of the political environment have been shaped by the 2016 election campaigns of Hillary Clinton and Donald Trump, as well as important down-ballot races; new perspectives on President Obama's executive orders on immigration and gun control; and the most current domestic and foreign policy events, including incidents of gun violence and the growth of ISIS.
