BOOK SYNOPSIS

Discover the challenges, excitement and rewards of law enforcement today with AN INTRODUCTION TO POLICING, 7th edition. Written by law enforcement veterans with extensive experience in all areas of policing, this engaging, comprehensive book blends practical information with pertinent theory. The authors examine today's most current issues, policing techniques and industry trends, including homeland security, recent terrorism incidents, recent advances in policing technology, the controversial Secure Communities Program by DHS, ATF's Fast and Furious gun program, and more. Readers find the latest practitioner research as well as the most current applications, statistics, court cases and information on law enforcement careers. This edition features increased coverage of small and rural departments, while extensive examples from small and large police departments throughout the world and essays from respected law enforcement practitioners delve into crucial policing issues and challenges. AN INTRODUCTION TO POLICING, 7th edition, is an essential read for anyone considering a career in law enforcement today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
